## 卷頭語

中華基督教文字索引)，始於一八六七年，著者 Rev. Alexander Wylie 乃破天荒之傑作也，厥後經四十餘載，未有修纂再版之舉，直至一九〇七年，季理斐博士始又出一版焉。

一九一六年（中國續行委辦會）組織之（基督教文字委員部），有鑒（中華基督教文字索引）一書，誠關緊要，擬聘中西二人，以一年之工，專事調查全國基督教現行書籍，以事編輯索引，惜難覓到專任人才，該委辦請雷振華牧師代理，故索引一書得慶重生，時一九一八也。

待一九三〇年（中華基督教書報發行合會）開會時，通過議案，設法修改前書，以合時宜。惜以時境變遷，人工忙迫，加以不景氣時期，經濟慌恐，遂不償如願矣。

本書材料，乃由各書局目錄集成，凡一九三二年初葉之新書，莫不概登。嗣後凡有遺漏未載，或新書出版，謹按基督教（出版界）每期之登載，隨時補刊，如是總期與時俱進，使一切出版物莫不畢錄焉。

本書之分類法乃仿照杜威圖書分類法，蓋該法業已通用，即商務印書館出版之（王雲五中西圖書統一分類法），亦多步杜氏前轍，本書分類中，有特別多載許多圖書者，乃因本書之因素，係欲盡量介紹，冀能切實有用，苟有改良之貢獻，則無任歡迎，對於本書下次出版，或將來之（出版界），誠有補助不淺。

本書內容以圖書為限，凡報告表，以及雜類，則恕不登載，（中華浸信會），與（時兆報館），圖書目錄中，載有許多報告冊，以及雜用記簿，凡有要需者，可與該會直接接洽。

本書原欲以漢英文字附載各書要旨，惜因時景困難，如此浩大之印刷工程，實款無處來源，故不得已刪繁就簡。惟全國大印書館之出版物，業已悉載靡遺，且本書之英文字母（出版人名號），與各書號

碼中之字母相同，購者欲知該書之詳細底蘊，與出版書局，一觀本書則，可了然。

本書所列各書之價目，與原本圖書目錄相同，惟各目錄中有將郵費包在書價內者，亦有書價外另加郵費者，故本書難以指定實在郵費若干，且其價目亦係大略如此而已。

購書者苟能與書局立一出入賬項，則不勝便益。茲將前（美華印書館）對顧客立賬之辦法，即今日（廣協書局）業已實行者謹告如下：

### 存款出入辦法

因欲本埠與外埠顧客利便買書起見，本局設有活期存款，顧客可以隨時購書，由存款內支給，則可免去許多零星往返郵費之煩。

凡顧客欲用本局活期存款之法，一切章程悉照銀行活期存款辦法。顧客可先存一百元，二百元，或隨意任何數目均可。本局收到存款即行登記，列為特別顧戶。

本局收到存款，即將特製之支票簿寄與，嗣後凡有購書，即可用支票證明銀數，以平常信件郵還，蓋該票乃本局特製，不虞遺失，故毋庸掛號。

以上存款制度，係謀顧客利便省費，請諸君光顧實行。

近因時局不甯，許多公司實行郵包掛號之策加以掛號費用。惟此項掛號，乃隨購者意願，凡包裹業已付郵，則發行所按例不負責任。

本書載有全國印書館之名，並附（廣協書局）素有交易之各售書公司舖號。尚有許多發售基督教文字之書舖，未曾列名者，請即示知，以便增補。

苟基督徒無論中外，能輔助該處之書店，則基督教文字將必大見暢銷。因書店散處遠方，去發行機關甚遠，故常例均要現款定貨。就地書店既能尋得現款定貨，則他始可以現款向總機關購物。由是地方書店得以隨意漸行積貨，以供社會需求。

凡在無書舖之處，最好能設巡回圖書館，如一九三二年十月之

(出版界)內有載廣東長老會 Mr. A. H. Van Etten 有創辦一巡回圖書館，成績昭彰，誠堪效法。

夫圖書消路之問題，多視地方基督徒識字與經濟程度如何。出版人雖欲折扣售與，以示優待，惟不能免費贈書與各圖書館，書舖等，蓋果欲備款行此善舉，非將各書售價提高不可。

近有上海生活書局，出版一(全國出版物目錄彙編)，並(全國定期物一覽)，其用意無非欲將全國出版物露佈，惟其內容對於宗教文字不甚注意，故所載無多，故吾教今日特別(索引)，範圍甚廣，庶能供閱者之需求矣。

茲擬先將華英合璧之(索引)，寄與全國各傳教師。厥後則擬專印漢文(索引)，寄與全國華牧，傳道等。

本(索引)無論華英兩版，均不定價，但望全國中西傳教師，因見此書之實用有益，能樂捐多寡，以助印刷郵費等耗。倘收書者能惠(西人)大洋壹圓，(華人)兩角，則對於補助本書用費，誠非淺鮮。

本書出版得以完工，多賴各書報公會，贈以圖書目錄，或最近出版之各樣本，同心合作。惟各樣本用畢之後，乃轉贈與(上海圓明園路中華基督教全國協進會藏書房)收存，蓋一九一七年索引之書亦存該處，按章編類。

本書之編輯，多係留學英美大學文神學士李培廷牧師手筆，噫，亦費盡許多心血矣。

## PREFACE

The work of making an Index to the Chinese Literature of the Protestant Churches in China was first undertaken in the year of 1867 by the Rev. Alexander Wylie. During the next 40 years, no attempt was made to revise and re-issue his work until 1907, when the Rev. D. MacGillivray, D. D., issued A DESCRIPTIVE AND CLASSIFIED CATALOGUE OF CURRENT CHRISTIAN LITERATURE.

The importance of Christian Literature in China received fresh emphasis through the work of the Committee on Christian Literature appointed by the China Continuation Committee in 1916. It was decided to ask for two workers, a foreigner and a Chinese, who could devote themselves for one year to undertake the task of a survey of existing Christian Literature in China. On account of the difficulty of securing two men set apart for this work, the Committee asked the Rev. G. A. Clayton instead; and so A CLASSIFIED INDEX TO THE CHINESE LITERATURE OF THE PROTESTANT CHURCHES IN CHINA was issued in 1918.

Plans for bringing the above Index up-to-date were undertaken on behalf of the Christian Publishers' Association in 1930. Owing to many vicissitudes, including pressure of work and lack of surplus funds on account of the depression, it has not been possible to make this available earlier.

The present Index is compiled from various catalogues available, and purports to be complete as at the beginning of January, 1932, although some books appearing after that date have also been included where they have come to our notice. It is hoped that following the publication of this List any omissions or new books will be entered periodically, with their numbers, in successive issues of the CHINA BOOKMAN and in this way it should be possible to keep abreast of all that is being published from time to time.

The classification followed is that of Dewey's Decimal Classification which is so universally used. It is this classification which is largely followed by Y. W. Wong in his System, published by the Commercial Press. There may be criticisms of the particular class in which many of the books have been entered but the idea has been to make the Index as serviceable as possible as a guide, and if there are any corrections or suggestions these could be embodied in a future edition or in the later issues of the Bookman.

Such material as report cards, etc., which does not definitely come under the title of literature has been omitted. Two of those who list these in their catalogues are the China Baptist Publication Society and the Signs of the Times Publishing House, and if information is required it could be secured from them direct.

The original idea was to include a summary in Chinese and English of the contents of each book but owing to the difficult times and the impossibility of securing a substantial subsidy towards the printing of the Index this idea has had to be dropped. But a list of all the known publishers is included and the letters in this list correspond to the letters in the numbers of the books so that it should be an easy matter to find out the publishers and write for full particulars regarding any book desired.

The prices given in this Index correspond to what has appeared in the various catalogues but in some catalogues this price includes postage, and in others, not so. In such an Index it was impossible always to specify the postage required, and the prices must be understood to be approximate.

We would recommend prospective buyers to open a drawing account with whatever firm they wish to deal. Below is appended a notice which is based on what was formerly used by the Presbyterian Mission Press and is now adopted by the Kwang Hsueh Publishing House.

## "FINANCE—DRAWING ACCOUNT"

For the convenience of out-port and up-country correspondents we have commenced a Current A/c system which will obviate the trouble, inconvenience and expense of frequent small remittances, such as we receive from numerous clients.

The use of this system involves the opening with us by clients of a current account on precisely the same lines as a banking account. This can be done by the initial remittance to us of \$100, \$200, or any sum which suits your convenience. Such remittance will immediately be placed to your credit in a special account.

We will then forward to you a cheque book and, thereafter, when you desire to make a payment to us, all that is necessary is to draw a cheque for the sum in view and mail to us by ordinary mail. As cheques will be sent to us only, registration is unnecessary.

We commend the foregoing to your careful attention and beg to suggest that you avail yourself of the advantages it affords."

Owing to the unsettled condition of the country at present, many firms follow the practice of registering all packages of books sent out and add this item to the invoices. The insuring of packages is, however, only undertaken at the request of the purchaser. Publishers as a rule can take no responsibility for goods after they have been posted.

In addition to the list of publishing houses, there is appended a list of the bookstores taken from the files of the Kwang Hsueh Publishing House. There may be other bookstores handling Christian books and if so their names should be submitted so they may be added.

The cause of the distribution of Christian Literature would be immensely helped if Christians, both Chinese and foreign, would support their local bookstores. Owing to the distance of so many of these bookstores from the publishing headquarters, it is usually the custom to ask for Cash with the orders submitted. This being the case any orders placed with the local bookstore should be accompanied by cash so as to enable him to place the order. Gradually the local bookstore would of its own accord increase stock to meet the growing demand.

In centres where there are no bookstores the plan of a Station Chinese Library established by Mr. A. H. Van Etten of Linchow, Tung., and described in the October, 1932, issue of the CHINA BOOKMAN, would seem to be one that could be highly recommended especially as it appears to have been a great success.

It is realized, however, that the question of distribution is also dependent to a great extent upon the literacy and economic status of the Christian reading public. Publishers are usually ready to give discounts on their books but it is not possible to give free grants for the establishing of libraries and bookstores as this would immediately raise the selling price of the books to provide funds for this purpose.

## THE ONE HUNDRED BEST LITERARY SELECTIONS FROM THE ENGLISH BIBLE

Compiled by Wang I-ting

"Quite apart from its religious significance, the Bible is by far the most important element in the background of Western literature and thought, and it is a matter of regret that most Chinese students of English do not seem to have so much as thought of its value as a literary book, with the result that they often meet with difficulties in study and general reading which would not puzzle anyone having but a fair knowledge of the Bible.

Mr. Wang has done a real service to all Chinese students of English in compiling *The One Hundred Best Literary Selections from the English Bible*. It contains eight sections: (1) Stories, (2) Parables, (3) Speeches, (4) Prayers, (5) Visions, (6) Essays, (7) Poems and Songs, and (8) Proverbs. Each selection consists of less than 600 words and can of course be easily read at a sitting. The arrangement is like that of *Moulton's Modern Reader's Bible*.

It would be well for a Chinese student to read this short book as an introduction to the study of the Bible, of which, by the way, the "Authorized Version" has been the most popular ever since it was made in 1611 under the auspices of King James of England."—Ke in the Book Column of the *Chung Hua English Weekly*.

Pages 166. Price \$1.00 per copy

### OXFORD ENGLISH DICTIONARY

1884-1928

A Dictionary not of our English but of all English from Chaucer to  
Modern English—contains 414,825 words, 500,000 definitions and  
1,827,306 illustrative quotations.

1.—Ten Volumes in Twelve, half-morocco	£ 90
2.—Twenty half-volumes, quarter-persian	£ 80
3.—Twenty half-volumes, half-morocco	£ 100

### SHORTER OXFORD ENGLISH DICTIONARY

Has been designed to make available in shorter and cheaper but not  
less authoritative form the contents of the big Dictionary. It is not by  
any means a short dictionary in itself. In fact it runs to two volumes,  
demy quarto, of 2500 pages altogether, and contains a good deal more  
than most of the big quarto dictionaries.

The S.O.E.D. is a *complete* Dictionary of the English language from  
Chaucer to the present day. It does not merely give all nineteenth  
century and present days words, with a sprinkling of Shakespearian and  
earlier words, which is the practice of the ordinary Dictionary, but  
exhibits *all* the words in the language from Chaucer onwards and  
therefore serves, not only as a present day reference Dictionary but also  
as a special Dictionary for any period of English literature or for any  
author. Moreover it exhibits the words in an historical way, showing  
their earliest meanings and any changes that they have gradually under-  
gone, and it illustrates their history with selected dated quotations.

A very important point is that the new Shorter Dictionary is not  
merely an abridgement of the big work but is also a revised and up-to-date  
abridgement. Parts of the big Dictionary were published in the last  
century and the total number of words not in the big Dictionary is very  
large. (They are, of course, all going into the Supplement, which will  
be ready in about a year's time). These words will be found in the  
Shorter Dictionary.

The price of the 2 vols. is £3.3.0

MAKERS OF WINGS

By

LAURA GERE THOMPSON, B.A.

Formerly teacher of English in the Wyoming Seminary,  
Kingston, Pa., U.S.A., and the Anglo-Chinese College,  
Foochow, China.

From the Foreword:—The Chinese student as the author knew him in the Anglo-Chinese College of Foochow has been constantly in her mind as she has written this book. In his eager study of English he deserves the best and he should find every page of his reader a distinct help toward his advancement. The vocabulary of "Makers of Wings" has been chosen for him with much care. It is based on the life stories of great men and women of many nations, most of them belonging to our own time. Words that describe their achievements must perforce be worth while. It has been assumed that the student already has a working vocabulary of a thousand words. These are not words selected at random but the Thorndike list of the thousand words used most frequently in forty elementary books and magazines published in the United States.

The CONTENTS include stories regarding:

The Slave Boy of Murillo  
The Deaf Musician  
Dr. Grenfell of the Labrador  
Two Great Women  
Broken Wings  
Captain Scott  
The Lighthouse-Builder's Son  
Kings and Queens  
The Founder of the Republic of China  
The Little Girl with the Great Voice  
The Tree of the Great Peace  
The Bird Man of Peru  
Burbank the Wonder Worker  
The Best Loved Flier  
Kind Heart  
Steinmetz the Thinker  
Leonardo da Vinci

There are over 50 selections. The Book is illustrated.
